Proposed Street Tree Species

KC – Kentucky Coffeetree, 'Expresso' (male only)
Grymnocladus dioicus

GB – Ginkgo, 'Autumn Gold', "Magyar', or 'Princeton Sentry' (male only)
Ginkgo biloba

Notes

1. The Town of Colchester applied for and was awarded the *2024 Growing Urban Forests in the Face of Emerald Ash Borer* grant through the Vermont Department of Forests, Parks and Recreation, Urban & Community Forestry Program, and the USDA Forest Service. This grant funding will be used for ash tree removal and replantings on Wall Street and Abigail Drive, as shown in the Ash Tree Removal Plans and Street Tree Planting Plans. All work funded by the grant will be completed by October 2025.
