Officials will warn players of double teaming, giving them reasonable time to cover player to player. If not, double teaming will be called and ball will be awarded to the offensive team.
- Switching players is allowed in the event that someone's player drives past them. This form of help defense is ok as long as players then go back to their original person and doesn't end up double-teaming.

- Officials are to be treated with respect from all coaches, parents, and players at all times. We all know that there will be differences in opinion at times; however, we can't let these differences control the game or the league. We must all work together to insure a fun, safe and enjoyable league for all.

Our goal is to make the games an exciting and memorable event for the youngsters who are participating. We hope that you, as a coach, will get into the spirit and remember that our program is for every child and the only outcome that is important is a positive one, one where every child is happy, has fun and enjoys the game of basketball.
