

For the Week of January 11, 2021

Manager's Message  
Aaron Frank, Town Manager

Hey, Colchester Students!

The Colchester Historical Society encourages Colchester students grades 6 – 12 to participate in Vermont History Day State Contest. Colchester had a winner for the first time ever last year, and we would really love to see more participation this year. Students may participate as individuals or as teams of 2-5 students. And there are special prizes! Prizes range from \$50 - \$350, depending on the sponsor of the prize.

This year's Vermont History Day theme is "Communication in History – The Key to Understanding." The event will be conducted virtually. **Please note the registration deadline is March 1, and it's not too early to get started now.**

The Vermont Historical Society hosts this amazing annual event and all the exciting details are available at <https://vermonthistory.org/historyday>. Specific questions may be addressed to Victoria Hughes at [victoria.hughes@vermonthistory.org](mailto:victoria.hughes@vermonthistory.org) or (802) 828-1413.

The Town Offices will be closed on Monday, January 18 in observance of Martin Luther King Jr. Day.

**Economic Injury Disaster Loan** for small business extended to December 31, 2021. Info from the US. Small Business Administration: <https://www.sba.gov/funding-programs/disaster-assistance>

**State/Regional/National COVID Numbers, Trends and Modeling:** National and Northeastern trends show increasing rates of cases, hospitalizations, and deaths likely due to travel and multifamily gatherings over the Christmas and New Year's holidays. Despite increasing regional positivity and hospitalizations, testing rates are going down regionally. In Vermont, all rates are increasing to match those following the post Thanksgiving highs. Vermont ICU and medical/surgical bed capacity is projected to meet anticipated hospitalizations over the next four weeks despite there being about 30 hospitalized patients each day this week and up to one quarter of them in ICU beds. **Vermont Vaccination Update:** As of 1/8, the Vermont Department of Health Vaccine Dashboard indicates 20,596 people received their first dose of the COVID19 vaccine, and 378 people received their second dose. Hospitals are vaccinating frontline health care workers while pharmacies are vaccinating

long term care facility staff and residents.

**If you gathered with others, get tested:** If you gathered with anyone you don't live with or had a potential exposure to someone with COVID-19, we recommend getting tested. This is how you can help keep the virus from spreading.

Vermonters without COVID symptoms can now get tested at more than 15 locations throughout the state. You can register for a quick, easy and free test: [www.healthvermont.gov/covid19testing](http://www.healthvermont.gov/covid19testing)

If you have symptoms of COVID-19, please contact your health care provider so they can refer you for testing. If you don't have a provider, you can call 2-1-1.

**COVID Cases in Colchester:** 321 total cases as of 1/6/2021; this is 36 new cases in the last seven days (285 cases as of 12/30/2020).
