Visit the Great Escape home page at <https://www.sixflags.com/greatescape> and click the **Promo Code** link in the top red banner on the right. This will pull up a box to enter in **VRPA21** (not cap sensitive), then click GO. This opens the web store with your \$30 ticket and discount parking available. Customers will then be required to enter contact information for each ticket as required by NYS COVID guidelines. At checkout there will be a single \$8.99 service fee, for one ticket up to 99, so encourage members to make one transaction to not pay additional fees. If members complain or ask about the fee, please remind them that in 2019 VT Park & Rec tickets were \$41, so even purchasing a single ticket with the service fee is less than in 2019.

After tickets are purchased, guests must make a reservation before visiting the park at <https://www.sixflags.com/greatescape/reserve>

Currently we are still operating under reduced capacity from NYS guidelines. Guests will pick a day and timeslot in increments of 15min, and once confirmed will receive a digital confirmation to present when arriving at the park. Great Escape is conducting temperature screening at park entrance, but no proof of vaccination or negative COVID test is required. Effective May 22, fully vaccinated (10 days past vaccination) guests will no longer be required to wear face masks in our park or our lodge on an honor system. We will continue to recommend masks for unvaccinated individuals. Great Escape is only accepting card & mobile payments. They can convert cash to a prepaid debit card for no upfront fee immediately inside the park entrance or at any of the other Cash to Card kiosks within the park.

Mega Meal Deals include a meal, snack, and drink bottle with unlimited fountain beverages for redemption anywhere in park. Promo code will work on these in the coming weeks.
