

# Town of Colchester

## Stormwater Credit Compliance Form

### Instructions:

- This form must be filled out by the fiscally responsible property owner every two (2) years from date of credit issuance to maintain their stormwater credit. Failure to do so will result in the expiration of credit.
- Inspector does not need to be an Engineer; an Authorized Representative is acceptable.

Property Owner Name: \_\_\_\_\_

Property Owner Address: \_\_\_\_\_

Property Address(es): \_\_\_\_\_

Property Tax Map Number(s): \_\_\_\_\_

Has ownership changed since last credit application or compliance form submittal?  Yes  No

Has amount of impervious surface changed since previous application?  Yes  No

---

### Maintenance Checklist (to be filled out by inspector)

Are there any vegetated areas that require mowing or maintenance?  Yes  No

Do any catch basins need maintenance or sediment removed from sumps?  Yes  No

Have there been any illicit discharges (dumping of oil, gas, detergent, vehicle wash water, etc.) to the system, that you know of?  Yes  No

Has there been any re-routing of stormwater to avoid the system?  Yes  No

Was there any erosion noted during the inspection (for example: areas of exposed soil in channels, outlets, or on pond berms)?  Yes  No

Is there any additional maintenance or repairs needed at this time?  Yes  No

Has anything else changed on site that would impact the stormwater management system?  Yes  No

*If "Yes" was selected for any of the above, please attach an explanation and schedule for repair or maintenance if necessary.*

---

### Statement of Compliance (check only one)

Based on the above observations, and to the best of my knowledge, this report can serve as confirmation that the stormwater system **is** being maintained and operated in general conformance with the approved plans and associated credit on file, and that the stormwater system is in good operating condition.

Based on the above observations, and to the best of my knowledge, this report can serve as confirmation that the stormwater system **is not** being maintained and operated in general conformance with the approved plans and associated credit on file, and that the stormwater system is not in good operating condition.
