Department Notes:

- With the removal of the food truck at 181 East Lakeshore Drive, the department resolved the Zoning notice of violation. The Wastewater violation remains open.
- The department continues to pursue violations against the owner of Mallets Bay Campground.
- Health officer inspection requests are down.

¹ On June 8, 2021, the Selectboard voted to remove town code requirements for inspection of single family residential and accessory apartments. This has reduced some inspection requirements and therefore visits. Subsequently, making a year-to-year comparison is not necessarily reflective of market trends.
